CAREER OBJECTIVE

A student with lots of interest and passion for learning and working with new technology regarding full stack web development and modern software development practices along with a well-reputed organization.

ACADEMIC QUALIFICATION

Year of Passing	Degree/Course	College/University/Board	CGPA/Percentage
2023	BE-CSE	Sri Ramakrishna Institute of Technology	7.9
2019	HSC	Kamarajar Higher Secondary School	63.6
2017	SSLC	Kamarajar Matric School	93.8

INTERNSHIP TRAINING

Internship Training Completed at LitzTech in Web Development on (26-07-2021 to 25-08- 2021).

TRAINING

I have attended training on Hexaware Technologies in Soft-Skills and Technical Training for Dotnet (C#, SQL Server, React, Logging, ASP.NET Core WebAPI) for 4 months of training.

CERTIFICATIONS

Coursera: Phyton Data Structures (**Certificate URL**) and Foundation: Data, Data,Everywhere Under Google Data Analytics Specialization (**Certificate URL**).
My Seminar On: Artificial Neural Networks (Sri Ramakrishna Institute of Technology).
CSC: Diploma in Computer Application (DCA).
Internship: Web Development in LitzTech.
Service Now: CSA (Certified System Administrator).
Conference: Detection of Weed Plant Using Deep Learning on Aip Conference and Cotton Plant Identification Using Deep Learning on Scopus. And yet to Publish.

PROJECT

HOSPITAL APPOINTMENT BOOKING– Developed a comprehensive web-based application using a .NET framework for managing hospital appointments. Implemented user registration, Doctor Registration, login, and profile management functionalities ensuring secure data storage and retrieval. Designed and integrated an intuitive user interface for patients to book appointments with doctors based on availability and specialty. Utilized a backend database (mention the specific database system if applicable) to efficiently store and retrieve appointment data.

Tech stack:

Front-end: React 17

Back-end: Web API (ASP.NET or Node.js Express)

Database: SQL Server 2019

SKILLS

- Programming Languages – C, C#.
- WEB TECHNOLOGIES – HTML, CSS, ReactJS.
- DATABASE – SQL Server.
- Operating Systems – WINDOWS(XPto11).

INTEREST

- Front End Development.
- Back End Development.
- API's

ADDITIONAL SKILLS

- MS Office (Word, Excel, PowerPoint).
- Leadership.
- Strong Communication Skills.
- Quick Learner.
- Punctuality Towards the Work.
- Collaboration and teamwork.

PERSONAL DETAILS

- **D.O.B:** 24/01/2002.
- **Languages Known:** Tamil (Speak, Read, Write) and English (Speak, Read, Write).
- **Address:** 5/486, Anbunagar, Salem Road,
  Chinnamudhalaipatti,
  Namakkal-637003.

DECLERATION

I hereby declare that the above-mentioned information is correct up to my knowledge and I bear the responsibility for the correctness of the above-mentioned particulars.
